Phone: 617-731-2928

Ring Orchestral Grand upright piano (53" height) in good shape. Does need to be tuned. All the keys work. Our son took lessons on it for many years, but he has since moved away. The piano is a grand old lady, dark brown in color and comes with a bench. Yours for free -- you just have to pay for removal. The piano is located on the first floor, with six steps to the sidewalk outside.
