

Kimball Spinet - Needs a good home

Oakland, California 94611
United States

Phone: 818-261-5367

This lovely little piano was purchased brand new in 1970. Its enjoyed several generations of musical proteges.. Our family can no longer keep it. It needs a good tuning, one of the keys sticks and one knob is missing on the keyboard cover. With a little love, she will provide many years of enjoyment and learning.
