Please come take our small Shoninger spinnet piano. It has beautiful tone, and was used by the bluegrass band, Brown Chicken Brown Cow while they lived in Portland.

It does have two broken keys.

Length: 4 feet 8.5 inches

Width: 2 feet

Height: 3 feet

No bench

We moved it with only two people using Shoulder Dolly straps, so it's totally do-able. Just need a truck or a trailer to haul it away.
