Phone: 941-567-7335

Upright Wurlitzer piano, serial number #2829610 - manufactured circa 1995-1996. Good condition. All keys work. Minor surface damage from many moves, could easily be buffed down and resurfaced. Includes bench. Needs to be tuned (would require tuning after a move anyway).

On the ground, but two steps into the room. Easy to back a truck up and use a ramp to wheel across. I have a moving dolly to help roll.
