

100-yr-old piano MUST GO!

Aurora, Colorado 80013
United States

Phone: 303-902-7362

This piano is beautiful and has filled my home with songs. But, we are moving to another state, and this piano just won't make it. We want to give this piano away to someone who will love it as much as we did. It's old, needs tuning, but will give you and your friends great enjoyment. We need this piano gone by May 3!
