Wilmington, Delaware 19810  
United States

Phone: 9176998385

Pianola Self-playing Player Piano with ~30 perforated paper music rolls.

This Pianola Payer piano made by the Aeolian Company was our grandmothers and unfortunately we recently tried to clean it and it's no longer working properly. In addition we have approximately 30 rolls in various conditions. Not sure when this

---

was made but it was purchased in the 1960's. In fair condition with chips on several keys and scratches as you can see in the photos. Needs to be tuned.
