

1924 Kimball Upright Player Piano

Jackson, Missouri 63755
United States

Phone: 5732753127

1924 Kimball upright piano with player mechanism.

It is very complete and looks great. All keys are playable; will require tuning. One sharp key is missing the ebony. I have never tried the player mechanism, so can't verify if it works.

Located near Jackson, MO. May be able to arrange transportation locally if you help.
