

## Free Piano in Parker, CO

---

Parker, Colorado 80134  
United States

Free piano and bench. Piano looks to be in good condition; needs a little attention, cleaning, and probably a tuning. The bench is in rough shape, please see the photos for more information.

I don't know the make or model of the piano. Currently located in a rental house and the previous residents abandoned the piano. Dimensions are 37.5" high x 58.5" wide x 24" deep.

The piano is very heavy and will require four people to move it. It is in the lower walk-out level of the house so access is good but there is a hill to contend with to get it to the street at the front of the house.
