

# Organ

---

peru, Indiana 46970  
United States

Phone: 17653273297

my mother in-law passed away and she has a very nice organ in working order and played offen while she was alive. I do not play nor do I want the organ. So the organ is free to anyone who picks it up. It is a Gulbransen series 400. my cellphone 1-765-327-3297. We live between Kokomo and Peru indiana
