

AutoPiano Upright Player Piano(circa 1910)

Cary, North Carolina 27519
United States

Phone: 828-808-2822

Hi. I have an antique upright player piano in need of a good home. My dad spent countless hours restoring the piano back in the 1970's. The last time I tried to play it, it pumped air, but the chain mechanism seemed to not function correctly... not sure what it needs. It will rewind when pumping the pedals.

We are moving to Wilmington NC from Cary NC the week of 9/2/19.
