Richmond, Virginia 23225  
United States

Phone: 240-565-3923

This is a player piano that was once owned by the award winning cartoonist, Jeff MacNelly. Included with the piano is well over 100 music scrolls from classical, rag time and contemporary, Holiday music, too! This piano was once electrified, but a mouse has chewed through the cord. The bellows need some repair, but the mechanics are all in working order. The finish needs some attention but the piano cabinet is in great shape.
