Balwin Acrosnic Piano (approximately 40 years old). This piano has not been used a great deal in recent years. Piano probably needs to be tuned up, however, nothing has ever "gone wrong" with this unit in the past. This piano has always been sitting in the living room (first at my parents home and the past 12 years at my home).

Located on the north side of Chicago (approximate border of Lincolnwood and Chicago).

Free... must pick up at our home. Thank you.
