

Hallet, Davis & Co. Upright Piano

San Marcos, California 92069
United States

This upright piano has 88 keys and has been in my family for three generations. It was manufactured by Hallet, Davis & Co. in Boston, Massachusetts, in the 1890s. (The manufacturer's/serial number is 38976, so the timeframe may be wrong so I apologize if it is.) It's in need of a tuning and the number 5 and 15 keys produce little—to no—sound. This piano has always been kept inside a home with the exception of the last few years where it has been stored in my garage.
