

# Baby Grand Piano - 1927 Lester

1927 Lester Baby Grand piano, free if you arrange to haul from our home. Plays great! Our kids have learned on and played it for years and we hate to get rid of it, but just too big for our small house. Some wear, but almost 100 years old. Needs key covers replaced. Hoping it will find a nice home and last another 100 years.

Thanks!
